Congratulations and Well Done Atahlia

PRINCIPAL’S REPORT

Watching the School Spectacular at the Entertainment Centre in Sydney last weekend left me with goose bumps. The honour that was bestowed on Atahlia Sutherland to open the show with the Acknowledgment of Country and the National Anthem, and the grace and poise with which she undertook the responsibility was simply spine tingling.

Unfortunately I don’t believe they have showed this on TV. School Spectacular is a wonderful opportunity for all of our Creative and Performing Artists to share with over 3000 other performers from across the state and speaking personally with some of our performers this year ‘Spec’ is the highlight of their year.

Congratulations to also to Charlie Bubb, while not directly a school activity, it is an honour to see him crowned the 73 Kg Super Welter Weight Muay Thai Champion following victory in a recent bout. Charlie is obviously another of our incredibly talented sportspespeole and it is terrific to see him achieve at the highest possible level in his chosen sport.

The school is a busy place at present with lots of focus on finalising assessment processes and writing reports. All going to plan, this semester’s reports will be presented to students in Years 7 to 10 on Monday the 15 December during year based ceremonies in the Performing Arts Centre.

Speaking of Presentation Night, parents, carers and students are warmly invited to join with us in the capstone students achievement celebration of the year at 6.30pm on Tuesday the 16 December in the Sports Centre.

As last year, we are aiming to create a carnivale atmosphere with creative and performing artists, and circus students entertaining visitors as they enter the school grounds. With some adjustments to the speeches and performances during the night, it is hoped the whole celebration will be completed well within 2 hours ensuring a compact yet significant and meaningful celebration of student learning and achievement. Supper will be held afterwards in the Performing Arts Centre.
